

The Utah Parent Center and Nebo School District invite you to join us for free parent class via Zoom

Transition Workshops

March 18, 2021

Transition from Elementary to Middle School/Jr. High/High School

The transition from Elementary School is bound to create some anxiety for students and parents, especially for parents of children with disabilities. Join us for an evening where we will discuss what can be done to help ease the transition and prepare your child for success. We will also have a District Level Specialist there to answer any questions about Special Ed. in the Middle School/Jr. High/High School Level

Thursday, March 18, 2021
6:00 - 7:00 PM

Transition from High School to Adult Life

Do you have a child who will be transitioning from the school system to Adult Life in the next few years? What do parents need to know about this Transition to Adulthood? What is Guardianship? When do parents need to start preparing for Guardianship? What resources are out there for adult children transitioning "out" of the school system?

Thursday, March 18, 2021
7:15 - 8:15 PM
