3 TH GRADE	TUESDAY APRIL 30 TH

Makeup date for any rainouts will be **Thursday, May 2nd 2024**

We are excited to bring back our Elementary School Track Meets for the 2023-24 school year. We will be using Payson High School's new track facilities and Football Stadium to host the event. There are a few changes that you will need to let your parents know.

There are NO spectators or food or drink allowed on the football field.

***All parents will be required to watch the meet from the bleachers unless they are helping out with an event. Spectators' children are also not allowed on the track or the new football field.**

***Parking will be very limited due to the construction of the new Payson High School Building. (Spectators can park in the Parking lot by the Football Field, the High School Parking Lot, or in the Payson Recreation Soccer Complex Parking Lot on the East Side of Main Street.)**

Please pass this information on to your parents prior to the meet.

We will not be assigning lanes and heats prior to the meet. Students will be called onto the track in groups of girls or boys during the running events. Please condition your students and have them choose which events they would like to participate in. There will not be any advancement from these meets. If you have any questions please feel free to call Payson City Recreation at (801) 465-6031.

- Students can participate in: 2 FIELD & 1 TRACK or 1 FIELD & 2 TRACK events (Track = any running event; Field = Softball Throw or Standing Long Jump)
- **Each school will be allowed 1 Girls and 1 Boys relay team per grade. Relays will only be ran if time permits.**
- Payson City Recreation runs Track and Field Day by grade. We will award medals for the top 3 winners in both Boys and Girls events for each grade level. Medals will be sent to the school prior to the end of the year. They can be handed out at each school's end of year assembly.
- Please let your parents know that we will need volunteers to help run some of the events.

Please see the order of events on page 2.
