

Minutes for School Community Council Meeting
January 30, 2018
3:30

Facilitator: Teresa Jordan

Council members in attendance: Amber Proctor, Natalie Jensen, Megan Muhlstein, Olivia Jewell

Agenda items:

1. Reviewed 'safety' from last month's minutes

- Kathy Carling is working on a safe walking route for our school.
- Lock down/active shooter training. Teresa is considering having an all faculty/staff training before we do any drills with the students.

2. Mid-year testing results (Necia)

- Go over testing results/data with all grade levels – what is working, what is not working, where is the most growth
- Dibels factors in time, bench marking doesn't – go over if timing is a factor for anyone
- Go over the data that shows progress over time – stagnant? Growing? Declining?
- Teachers will put together an action plan according to their own data

3. Mathletes Gifted Program (Teresa)

- Look at math scores to see who would benefit from it
- Mathletes will be during school hours. This will help teachers who need to spend more time with other students during reteach

4. PTA

- District will match funds for marquee
- PTA president stepping down – need new president elect
- Announce different positions via SignUp Genius
- White ribbon week is coming up at the end of February. Theme will be internet safety/social media
- Net Smart assembly paid for by the Governor. Will go over strategies for internet safety. There will possibly be a parent kick off meeting beforehand.

5. School improvement projects

- Looking into using Donation money to improve/expand/update take home library collection.
- Teresa met with Matt Gledhill and went over things our school is lacking. It has never been updated since it opened. Some of the things that will be updated include the following:
 - District will pay for new rugs with the Spring Lake logo on them.
 - District will pay for updating the faculty room. Currently there isn't an oven. An oven will be installed. New cabinets will be installed. Updates will improve the look and functionality of the faculty room.
 - District will replace some of the décor around the school that has never been updated since 2002.
